

**Now You Can Restore 95% Of
Your Garments With CO²
Cleaning From Blue Sky
Cleaners?**

One Of America's Best Cleaners®

**Why Gamble Restoring Only
75% Of Your Water Damaged,
Soiled, Moldy Clothing**

While a typical dry cleaner can restore up to 75% of garments, we have a consistent **95% restoration record** because we *clean with CO₂* and an ozone generator, nature's restoration formula, not harsh chemicals that harm the environment.
